We're the "Good Neighbors You've Come to Trust" for all your waste management and recycling services. We've been providing great Residential and Commercial garbage pick-up, recycling and construction roll-off services in west central and central Minnesota for over 40 years. We're locally owned and family operated, have friendly, local people who answer the phone and we have clean, modern equipment to handle any and all of your needs.

In 1979, Don Williamson started West Central Sanitation with one garbage truck, a handful of customers and a deep desire to meet the garbage service needs of each customer. Today, Don and his wife, Carol, continue to operate their family business with the same attention to detail and exceptional customer service. This type of business atmosphere has attracted many satisfied customers from over 100 communities in West Central Minnesota and continues to grow and expand.

**JOB DESCRIPTION**

Drivers in this position operate heavy-duty trucks with additional lift/loading attachments. Using specialized equipment on their truck, they prepare, load and transport walking floor trailers to and from disposal sites, transfer stations, and recycle facilities. Containers will weigh in excess of 1,000 pounds and, at times, may require maneuvering to pick-up. They then transport the contents to a disposal, transfer or recycle facility when the container has reached the legal load capacity. Safe driving is crucial when traveling and maneuvering the truck in high traffic / congested roadways, driveways, alleyways, and lots around other vehicles and under highlines. A high level of skill especially regarding backing maneuvers is essential to being successful as a semi / tractor-trailer driver.
